**Abstract-** Below are general instructions to guide the preparation of your manuscript. You may prepare the camera-ready copy of your manuscript on actual 8.5" x 11" laser printed pages. The Symposium Proceedings will be printed from the copy prepared by each authors as provided. Please follow these instructions.

## INSTRUCTIONS FOR PAPER PREPARATION

### 1) Length

Length of the paper is limited up to 6pages. The recommended length is 4-6pages.

### 2) Style

Follow the IEEE Transaction style. Use separation sections for abstract, introduction, methods, results, discussion, conclusions, acknowledgments and references.

### 3) Abstract

Maximum 200 words, single spaced, 10 point Roman characters. Include appropriate keywords.

### 4) References

Number references in their text order, using square brackets. Place citations at the end of the text using IEEE Transaction format.

### 5) Paper Size

Use 216 x 279mm (8.5" x 11" or A4) paper or cut any other paper you use to this size. Only the papers in these sizes will be accepted.

### 6) Layout

Center the title, authors names, affiliations (with full postal addresses) spanning the entire page. Include and Email address of principal author. Type the paper in two columns 88mm (3.45") wide with a space of 5mm (0.2") between the columns. Each column of the text should be left and right justified.

### 7) Margins

Leave 25mm (1") margins at the top and bottom, and 18mm (0.7") on the left and right sides.

### 8) Type Size

Use 14 point bold, capital letters for the title, 12 point Roman (normal) characters for names and affiliations, and 10 point Roman characters for the text.

### 9) Printer

Produce the paper in black ink using a high quality laser or

inkjet printer or type writer. Do not use a dot matrix printer as it does not copy well and will not be accepted.

### 10) Figures

Paste figures (black and white only) where needed, if necessary spanning both columns. Number and provide a caption (legend) for each figure; do not use characters smaller than 8 point. Do not submit poor quality photocopies.

## SUBMISSION INSTRUCTIONS

Assemble:

1. Two camera-ready originals. Do not staple the pages together.
2. IEEE Copyright Form duly signed.
3. UT'02 Conference Registration form along with your payment of the Registration Fee.
